

Restaurant SetUp_ User story Acceptance Criteria

Manager User Story: As a manager, I want to manage menu items so that customers can see updated offerings.

Acceptance Criteria:

- 1.I can add new menu items with a name, description, price, and category.
- 2.I can update existing menu items to change their details.
- 3.I can view the full menu to see all the items listed.
- 4.I can delete menu items, and they will no longer appear in the menu.

Staff User Story:

As a staff member, I want to view orders so that I can fulfill customer requests.

Acceptance Criteria:

- 1.I can see a list of all customer orders in real-time.
- 2.I can view details of each order, including items, quantities.
- 3.I can change order status as "in progress" or "completed."

Customer User Story:

As a customer, I want to create an order to purchase menu items.

Acceptance Criteria:

- 1.I can select multiple menu items to add to my order.
- 2.I can view my selected items in a cart before confirming the order.
- 3.I can submit my order, and it will be saved in the system.
- 4.I will receive confirmation that my order has been placed successfully.
